Press Release

Type of Incident: Building fire

Date: 4/12/2020

Address: 75 Fremont St.

Time: 19:27

Under Control: 19:52

All Out: 21:23

Number/Type Apparatus: 5 engines, 2 ladders, 1 rescue, 1 ambulance

Number of Alarms: 1

Incident Summary: Engine 7 arrived to find heavy Fire showing on the first floor of a 2 1/2 story occupied single family home. Fire extended to second floor and space above second floor. 3 handlines were deployed and a bulk of the fire was quickly knocked down. Companies remained on scene for extensive overhaul of the first and second floors. Two people were home at the time of the fire and the fire was reported by a neighbor. All smoke detectors were in good working order. The cause of the fire was electrical in nature. The cause appears to be an overloaded extension cord. There is heavy fire smoke and water damage throughout the structure.

Any Special Features: Limited access Ground ladders had to be deployed for vertical ventilation.

Extent of Damages: approx. \$150,000.00

Civilians Injured: 0

Firefighters Injured: 0
